

Connect your business to drive productivity and profits.

With Suite Engine **Rental Process Management.**

What's driving a need for a new ERP system?

35% redundant data due to lack of ERP software, unaligned business systems (33%), and the inability to track processes in real time. (28%) ([Panorama Consulting](#))

82% of small to midsize businesses fail because of poor cash flow management. ([Entrepreneur](#))

\$200,000 on average is lost from businesses with fewer than 100 employees, making them most susceptible to fraud. ([ACFE](#))

Current systems are disconnected and struggle to handle the complexity of a **growing dealership.**

Run your dealership with a single solution that streamlines business processes and helps employees **work faster and smarter.**

Deploy one solution to manage your financials, sales, rental, service, and operations

Connect apps like payroll, banking apps, CRM systems, eCommerce, or customer APIs.

Create sales quotes, orders, and invoices right from Outlook and get tasks done on the go with mobile apps.

Incomplete data and tedious reporting create blind spots and lead to **poor decisions.**
